restorer

GIVES THE FLOOR A TOUGH BRILLIANT SHINE

This spray buff is a one-step system for cleaning and renewing floor finishes

EASY TO USE

Simply dust the floor, spray on the buffing emulsion and burnish -- the floors are clean and ready to reflect your positive image

FAST DRYING IDEAL FOR HIGH TRAFFIC AREAS

Slip resistant when used as directed

PROFESSIONAL RESULTS EVERY TIME

Cost efficient. Costly stripping and refinishing procedures are virtually eliminated.

This product may be used full strength or diluted 3 parts to 1 part water. Offers extended coverage of 7,000 to 10,000 square feet per gallon.

DESCRIPTION

Spray buff emulsion is a one-step system for cleaning and renewing finishes on floors. It is an advanced formulation of polymers, waxes and solvents which remove common buildup and renews the floor's finish in one operation. The product is usually applied by means of a sprayer mechanism attached to a single-disc rotary floor machine. Its fast-drying formulation makes it an ideal product for use in high traffic areas.

APPLICATION

For use on most composition and hard surface floors
...schools, hospitals, nursing homes, offices hotels, recreation centers,
kitchens, restaurants, corridors

DIRECTIONS FOR USE

Be sure floor is free of large litter. Dust with treated dust mop to remove loose dirt. Floor must be totally dry. Fill spray container with dilution: 1 part water to 2 parts product. **Shake well.** Spray solution on floor and immediately scrub over and back with cleaning pad mounted to floor machine. Dust mop area to remove any loose residue.
